Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Thursday 11 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Dry with sunny spells, before turning wet at the weekend.

This Evening and Tonight:
Staying dry into this evening and overnight with occasional clear skies for most. A cold and windy night, with a frost reforming soon after dark. Minimum temperature -4 deg C (25 deg F).

Friday:
A dry day, with some sunny spells. Winds begin to ease a touch into the afternoon, though it will remain very cold. Maximum temperature 1 deg C (34 deg F).

Outlook for Saturday to Monday:
Windy and rather cloudy on Saturday, but some occasional light snow overnight. A risk of freezing rain and hill snow on Sunday, with ice a likely hazard. Milder by Monday.
